

PONY BASEBALL ACADEMY

INSTRUCTIONAL CLINICS FOR YOUTH GRADES 4-11

A special note from Coach Parker

I know that we are all excited for another great baseball season. To prepare for the upcoming season I would like to invite you to attend the 13th Annual Pony Baseball Academy. Our focus once again will be teaching the fundamentals of the game. If you are new to the game or an experienced player I hope that you will join us for another great academy! Our theme this year is the most important number in baseball is 360. The coaching staff is more excited to work this year than we have ever been before. Students will be working with many of our high school players who will be playing college baseball.

Hit'em where they ain't,
